

BOARD OF STUDIES (BoS) MEETING - CE Department

MEETING MINUTES-2

MEETING DETAILS:

Meeting	BoS Meeting	Date	Friday, 27/06/2025
Chairperson	Dr. Gouri Antherjanam, HoD	Venue	CAD lab, CE Dept.
Time	Commencement: 10.00 am	Adjourned: 11:00 am	
Reference		Minutes Approved by	HoD (CE)

ATTENDANCE: - (Hybrid Mode)

Attendees			
S. No.	Name	Member details	Signature/ Remarks
1	Dr. Gouri Antherjanam	HoD & Chairman, CE Department	
2	Dr. Praveen Nagarajan	Academic Council Nominee- 1	Attended online
3	Dr. Santhosh G. Thampi	Academic Council Nominee- 2	Attended online
4	Dr. Bindu C. S	VC- KTU-Nominee	Attended online
5	Ms. Bindu Sunil	Industry representative	Attended online
6	Mr. Devanarayan R	Alumni representative	Attended online
7	Dr. S. Sivasankar	Associate Professor	
8	Mr. Ashok Mathew	Assistant Professor	
9	Ms. Regi P. Mohan	Assistant Professor	
10	Mr. Unnikrishnan S	Assistant Professor	
11	Ms. Shobha Elizabeth Thomas	Assistant Professor	
12	Dr. Pradeep P	Assistant Professor	
13	Ms. Cinaya Tony	Assistant Professor	
14	Ms. Ritzy R	Assistant Professor	
15	Ms. Namitha Chandran	Assistant Professor	
16	Ms. Aswathy S. Kumar	Assistant Professor	
17	Ms. Saritha V. Raj	Assistant Professor	

DISCUSSIONS:

INTRODUCTION:

A Board of Studies (BoS) meeting was held in hybrid mode on 27/06/2025 at 10.00am in Google meet. The meeting was started with a silent prayer. The Head of Department welcomed all members and the following matters were conveyed and discussed. The discussions and decisions are presented below.

Agenda:

1. First and second semester results and analysis
2. S3-S4 Syllabus modifications and approval
3. Research, teaching and other academic activities
4. Strategies for better placements
5. Industries for interactions and internships

Discussions and Decisions	Implementation/Follow-up by	Due Date
1. The Chairman welcomed all the BoS members and briefed the agenda of BoS meeting 2. The Chairman presented the university results of the First and Second Semester B.Tech (2024 admission) and the First Semester M.Tech (2024 admission) 3. With the permission of Chairman, curriculum committee member Ms. Shobha Elizabeth Thomas presented the proposed modifications to the syllabus for Semester 3 and Semester 4 of B. Tech in alignment with the KTU-2024 scheme. 4. Strategies for improving placements were presented, which included conducting add-on courses and short-term skill development programs, promoting site visits, initiating additional MoUs with leading construction companies, and facilitating internships across various domains of Civil Engineering. 5. BoS member Dr. Santhosh G. Thampi recommended to modify the syllabus with focus on the most relevant and essential topics, ensuring it is not overcrowded. He also suggested to retaining the topic 'Momentum Equation' along with the newly added topics in the syllabus of Fluid Mechanics. 6. Dr. Praveen Nagarajan recommended incorporating computational methods, particularly Finite Element Methods (FEM), into the syllabus of Structural Analysis to enhance its technical depth. The committee acknowledged	Academic Council Academic Council	

the importance of FEM; however, as the subject is already comprehensively covered as a dedicated elective in Semester 7, an introduction part is added to the syllabus of Structural Analysis II.

7. Dr. Bindu C. S suggested to modify syllabus of Surveying & Geomatics with advanced topic such as drones and UAV based surveying. Also, she emphasized the need of topics such as geological hazards and mitigation in the syllabus of Engineering Geology. Based on her suggestions, suitable modifications were made to both syllabi.

Academic Council

8. Mr. Devanarayan R. highlighted the need for introducing a subject on *Design of Bridges*. Although this subject is not currently included in the KTU 2024 curriculum, necessary measures may be taken to incorporate it either as an additional topic within a suitable elective or as an Industry-Linked Elective, subject to approval.

Academic Council

9. Ms. Bindu Sunil emphasized the importance of enhancing practical exposure for students in addition to classroom learning. She suggested that the curriculum should provide more opportunities for hands-on training, field visits and real-world project-based learning to help students effectively apply theoretical concepts in practice.

Academic Council

10. The Board decided to follow the same KTU syllabus (2022 Scheme) for the Postgraduate (PG) programs in Civil Engineering.

Academic Council

11. The Board approved the proposed syllabus modifications for Semester 3 and Semester 4 of the B.Tech Civil Engineering programme, subject to incorporating minor revisions based on the suggestions provided by the committee members.

12. As no further matters were raised by the members, the meeting was concluded. The Chairman, BoS, expressed gratitude to all members for their active participation and valuable suggestions.

The meeting was adjourned at 11:00 am.
