DISCUSSIONS:

INTRODUCTION:

The second Board of Studies (BoS) meeting was held in Hybrid mode on **25/06/2025** at 10.00 am via Google Meet platform to finalize curriculum and syllabus for semester III and IV of UG programmes. The meeting was started with a silent prayer. The Head of Department (Chairperson, BoS) welcomed all members and the following matters were conveyed and discussed. The discussions and decisions are presented below.

Discussions and Decisions:

1. The Board of Studies (BoS) members approved the revised syllabus for the course "**Algorithmic Thinking Using Python**", offered in Semester I.
2. University representative **Dr. Priya** emphasized the need for a prerequisite for the course "**Theory of Computation**" and proposed shifting the course from **Semester III to Semester V**.
3. External subject expert **Dr. E. Sivasakar** recommended including additional topics in the "**Database Management System**" course that would support students in their project work.
4. He also suggested incorporating foundational concepts such as **semi-supervised learning** and **reinforcement learning** in the course "**Concepts in Machine Learning**", offered in Semester III for the **CSE (AI & ML)** program.
5. Alumni representative **Mr. Anish S. Nair** stressed the importance of introducing more **industry-oriented electives**, such as **Web Technology, Artificial Intelligence, Machine Learning**, and other **emerging technologies** in the higher semesters, in place of certain core subjects, to improve students' placement prospects.
6. **Dr. Priya** also proposed the inclusion of "**Introduction to Artificial Intelligence**" in the course "**Introduction to AI and Data Science**", which is common to students from **Groups B and C**.
7. External members recommended revisions to the elective list under **Program Elective 1**.
8. **Mr. Anoop Kumar**, an industry expert, suggested the addition of technology-focused courses such as **Design Thinking** and **Design Patterns** in the higher semesters.
9. The external BoS experts gave their approval for the **curriculum and syllabus for Semesters I to IV** of the **UG & PG programs** in CSE and AI & ML stream.

HoD thanked all participants and the meeting was adjourned at 11.30 am
